## FIRE CHIEF'S REPORT TO COMMISSIONERS #49

The regular meeting and two drills were held this month. We also had good attendance at an Arson lecture in Port Townsend, to which we were invited.

Again, we experienced no fires during this period, but we did respond on one rescusitator call.

I have contacted Mr. Ron Slight, the 1st. Aid instructor from P.T. he will be free to start a refresher course, a basic course, or both anytime after the 18th of Feb.

At the last Firemen's meeting, a nominating committee was appointed. I feel that we should abide by our by-laws regarding new members, and old.

Response to the Retirement program has been fair. I hope more of the men will come in in the near future.

We are still making progress on the building, but slowly. The back porch and gable ~~is~~ is the biggest single project left.

Volunteer Firemen fund balance \$1,566.00

Mr. Dave Riggs of Texaco Service in Port Townsend, has tuned and checked over the Pumper for us, and wouldn't take a cent for his services. He has been sent a letter of thanks.

  
Gene Hansen Fire Chief
