

JEFFERSON CO. FIRE DISTRICT No. 3
Port Ludlow, Washington

August 6, 1974

A committee meeting was held on August 6, 1974 with the following commissioners in attendance: Dennis Hannan and Edwin Udd. Also in attendance were B. G. Brown, County Commissioner and Mr. Bruce, Vice President of Pope and Talbot, and the secretary.

The reason for the meeting was to discuss the annexation of Sections 20, 21 and 22 into the Fire District. Prior to this meeting (over one year ago) Paradise Bay Estates petition to be included in this Fire District, has been held up because it was not contiguous with Sections 15, 16, 17, and 18. Since that date Mr. Parker and a committee have turned in over 50 signatures of people in Section 22 who wish to be included. It is now necessary to have Pope and Talbot concur as they have numerous land holdings in the area.

Mr. Brown stated that Mr. Lloyd Hansen, Assessor, had thought it might be advisable to also include Sections 26, 27, and 28 at this time also. However, the group felt this a little premature. Also this property is under the jurisdiction of Pope and Talbot Timber Division, not under the Division of Mr. Bruce.

Reduction of insurance rates were briefly discussed considering distance from the fire hall.

It was also mentioned that in the future consideration should be given to a building on the Paradise Bay side of the bay for storage of a fire truck and tanker. Mr. Bruce will check if Pope and Talbot would have an area available, also.

Mr. Bruce said that he would advise the group in about one week re Pope and Talbot's consideration. Meeting adjourned at 8:30 p.m.

Approved Dennis Hannan
