

JEFFERSON COUNTY FIRE DISTRICT #3
Port Ludlow, Washington 98365

January 19, 1983

MINUTES OF SPECIAL COMMISSIONERS' MEETING

A special meeting was called to order at 1:30 p.m. by Chairman Dennis Hannan. Also present were Commissioners "Bunk" Bolles and Gene Hansen.

The purpose of the meeting was to look over the property at the intersection of Route 104 and the South Point Road owned by the State and which the Fire District is considering as a possible location for the South Point/Shine Fire Station.

After investigation it was felt by the Commissioners that the parcel presently being offered for sale by the State is not large enough for the purpose intended. Further inquiry will be made to determine if a well and septic tank can be installed in the specified area as to determine if there is sufficient room to operate the necessary vehicles.

There being no further business to come before the meeting, it was adjourned at 3:30 p.m.

Dennis E. Hannan
Acting Secretary
